

IT DOESN'T NEED TO BE COMPLICATED — YOU NEED EQUIPMENT TO GROW YOUR BUSINESS. WE HAVE A SOLUTION.

How do you
ACQUIRE EQUIPMENT
while keeping your cash flow
under control and taking the
useful life of the asset into
consideration?

Or are you considering
A LOAN PRODUCT
with a balloon that possibly
matches the trade-in
allowance?

Is **100% ADVANCE RATE**
a concern of yours?

Obtaining the capital to acquire the equipment you need while protecting your bottom line can be challenging. What is even more challenging? Not having a relationship with a financing institution that knows your business and has the ability to provide real solutions that make sense.

Our dedicated team of experienced professionals discuss strategies and finance solutions that meet your needs — answering questions just like these.

WHY SHOULD YOU FINANCE YOUR EQUIPMENT?

- **Stay Current with Equipment, Avoid Technological Obsolescence, and Grow Your Business:** Equipment financing from PNC allows you to obtain the equipment you need to increase productivity, improve service levels, attract and retain customers and employees, and minimize the risk of obsolescence.
- **Improve Cash Flow — Ease Budget Constraints:** PNC Equipment Finance offers financing solutions to help you obtain the equipment you need now while minimizing the impact on your monthly and annual cash flows.
- **Tailored Solutions That Make Sense:** Our full array of lending products allows us to structure a solution that works for you.
- **We Know Your Business:** There are a lot of things to consider when it comes to your capital equipment needs. Your needs today, tomorrow and in the future. Our experienced team of professionals will listen to your needs and help provide the best solution for your business.

PNC will help you acquire the equipment you need. We offer customized payment solutions specifically designed for business. Whether it's a loan or a lease, the professionals at PNC Equipment Finance are able to get you into your new equipment quickly and efficiently.
